INSIDE A BARELY LEGAL GIRL

Hey! It's me, Lindsey. You guys, I'm in a sassy mood. I feel like making this month's editorial all about *me*. :) And so I bring you reader Bill from Pennsylvania:

"Your feet are the best I have ever seen. Have you ever had an orgasm from anybody making love to your feet?"

Yes, I have! He sucked on my toes, my cooch got hotter and hotter, and then—BAM! I didn't even have to touch my pussy! It was like a magical...feat! LOL!

"Lindsey, I hope in your personal life you have found that special someone who makes you happy and makes you come."

To be honest, Bill, I don't have much time for a personal life—but I *have* found that special someone. It's you! And it's Mark from Washington, and Wilson from South Carolina, and M.P. from Tennessee. It's *all* of you readers out there. You make me happy, and your naughty letters make me come (with a little help from my fingers).

I hope you guys will always be in my life! Love you!

JANUARY 2017 PANTY CONTEST WINNER!

J.Z., your poem was just sweet enough to win you Gina's undies. Congratulations!

Dear Gina,
A short and sweet poem for you:
I love the way you look
It would be awesome to see you cook
I want to touch your belly
The beauty of your smile turns my legs to jelly
Having your panties would be fun
I dream of holding hands with you under the sun

J.Z.

Hey! It's me, Lindsey. In the January issue I asked you guys what you would like to see (and not see) in BL in 2017. Here is some of the awesome feedback we received:

Hey Lindsey!
I just saw your questions on the opening page of the January issue. Let's say first of all that BARELY LEGAL has the perfect formula and knocks every other magazine for six...but there are always ways to get better still!

As far as titties are concerned, I love little ones. B-C cups are always best, but bouncy Ds are great too as long as they are deliciously firm and are not saggy! Hair color... Well, I love redheads and blondes, but as long as there's a pretty face the hair color just adds to the overall picture.

I've got to say that I love a bit of fur. Not too much so that it's like a forest, but a nicely trimmed smattering of womanly hair. Tall? Short? Don't mind at all! So long as she has the face and body to match, it's all good with me! Not too skinny, not too curvy, but pert and athletic makes the perfect BL girl. Tight butt, too. The big booty thing really doesn't do it for me, but exceptions can of course always be made if the chick is built like the lovely Mia Malkova.

What do I not want to see? Fake tits. No, no, no. BARELY LEGAL just wouldn't be BARELY LEGAL if there were any silicone or funny-shaped boobies on show. Tattoos, too. Other magazines have way too much ink. BL is the one title that has defended its readers against the relentless tat attack.

As for what I long to see? *Hmm*, now that's a tough one, as I think you guys have got the balance just right. Okay, I can think of one thing: Katy Kiss, Bailey Rayne, and Jillian Janson stripping out of tight little tops and even tinier miniskirts before getting all messy with each other. I'd buy a dozen copies of that!

Sharkyboy
by Internet

Dear Lindsey,
You asked for feedback on what we readers would like to see. Oh, boy! Got to get out the old typewriter and bang out pages describing *just* what I want. However, I look inside my head to see what that is and I find one big word: *variety*. Oh, you're doing that and always have? Well, that was quick and easy.

But I guess I could fine-tune that a little.

Breast size: You already do all-natural, so you've gotten that right. Also, A cups can look just fine on a 4-10 girl, but D cups can be none too large on a 6-2 girl. Boobs fit girl = winner.

Hair color: Long and dark works best for me, but I'm not fanatic about it. However, whatever color her natural color is is best. Red? Love red. I still have the April 2012 issue with Maggie and her long red hair.

Pussy hair: Whatever. Bald doesn't look right to me, but there can be too much, I guess. Let's say it's there but trimmed.

Tall or short: Doesn't matter.

Skinny or curvy: Doesn't matter too much. Let's say curvy but firm.

Butt type: High, wide, full bubble butt. No question.

Not want to see: Tattoos and/or piercings.

Long to see: I love that you report your models' statistics. That's one of the best things about BARELY LEGAL. Statistics help my mind *see* the real flesh-and-blood person from the 8-by-11 page. I'd like you to publish the stats of your BARELY LEGAL Classic girls. If you have them from back then.

More Asians and/or exotic beauties.

I'd like to know the locations of your external photo spreads. Just city would do.

In praise of variety: October 2016 issue, Molly Manson, 5-9, 114 pounds; January 2017 issue, Jessica Brandy, 5-9, 150 pounds. Same height but with a 36-pound weight difference. Who's best? Love them both!

V.M.D.
California

Dear Lindsey,

Thank you for your January edition of BL and especially your invitation to let you know what your readers want to see.

Regarding boobs, my preference is any size is fine. Mika's boobs in December 2016 certainly help her catch my attention! But so do Cassandra's in the same issue, along with Lana's and Hannah's. You did not ask about nipples, but I do enjoy Mika's, along with puffy and large, erect nipples!

I prefer bald coochies, but a landing strip is okay, too. The model's height is unimportant to me. I have no preference for skinny or curvy as long as the proportions are right.

The butthole is important to me. Your own photo in the January issue is what I enjoy. Other examples in the same issue include Madeleine's and especially Aubrey Gold's puckering hole. I must also mention Trillium, Mia, and, last but not least, Lana's in the December issue.

The January issue includes one of the best girl-girl photo sets. I would have preferred fingers rather than dildos! And no looking at the photographer! Please continue to include girl-girl photo sessions in every issue.

What else do I want to see in 2017? More girls of color and Asians—especially Chinese and Japanese women with their large nipples. Iranian and Indian women are beautiful as well. Another wish is for juicy coochies!

Well, I realize your task to satisfy all your readers is not easy, but I do know that you always make every effort to keep us happy readers!

Lenny

Lenny, thank you! Thanks also to V.M.D. and Sharkyboy (cute!) and ALL the readers who wrote in. With your help I hope to make 2017 the best BL year ever! ***—Love always, Lindsey***

Dear Lindsey,

I just bought a copy of *All Bush #22*. It's the perfect combination of recent favorites, like Sophia Leone and Hadley; favorites from the past couple years, like Alice and Monica; and models I don't remember or haven't seen before, like Anastasia, Sadie, and Samantha; and everyone has bush, from faint and wispy to outright full.

P.D.
by Internet

So glad you like #22, P.D.! Don't fur-get to check out the newest edition of All Bush! (See below.) ***—Lindsey***

Good news, hairy-hoo-hah fans! The 23rd tantalizing volume of *Best of BARELY LEGAL Presents: All Bush* goes on sale March 21!

If you can't find the latest *All Bush* at your local newsstand—don't worry. ADVANCED BIOLOGY

BARELY LEGAL CONFESSION

BY KIRSTEN KARLSEN

PHOTOGRAPHY BY JOHN EMSLIE

I did something bad. You're the only ones I can tell.

First, you should know: I'm a really good student. I take pride in this—*usually*. But sometimes it's hard to. I remember one time, in English class, the teacher read my book report aloud because he really liked it. I was so proud, I turned to the girl next to me, this super popular cheerleader named Katie, and, without thinking, I smiled.

She looked at me suspiciously. "You *like* to read."

For about one second I thought, Is reading bad? Of course it's not. I know it's not. But...

That's my life.

Anyway, this year, my senior year, I took Advanced Bio with Mr. Donero. It was *really* hard, but Mr. Donero made it fun, with lots of contests—like, we had one to see who could remove the fetal pig brain whole. I lost. :(Stupid slippery spinal cord!

The best contest came at the end of the semester: Whoever got the highest score on the final exam would get to be Mr. Donero's lab assistant over the summer and earn college credit. I really, really wanted to win—not just for the college credit, which would be awesome, but also for personal reasons.

I had a huge crush on Mr. Donero. It wasn't a physical thing at all. He has kind of a big nose, and kinky hair. But he's so smart and interesting. (He lived in New York City after college!) Nothing could really happen with him because he's married, but just to spend a few months near someone of intelligence and maturity instead of a bunch of dumb boys would be *heaven*.

For four years I got straight As in all of my classes, including science, but I couldn't take a chance this time. I *had* to win the contest. So I did a crazy thing.

There was this guy at my school named Dylan Samperi who sold term papers and stolen exams. He was shocked to see me waiting for him in his "office" under the north stairwell.

"What are *you* doing here, brain?" he sneered.

"I just need the answers for this one exam," I said. "I have my reasons."

"It will cost you."

"How much?" I asked, opening my bag.

"No." He shook his head. "Not money."

Dylan unzipped his jeans.

"This is the fee for stuck-up girls."

A blowjob! I had done oral before, but it was with guys I *liked*. Dylan was a jerk. A *cute* one, but still...

"On your knees, brain, or no sale."

I hate to admit it, but his bossiness made me kind of tingly. And the end *would* justify the means.

I kneeled down and pulled his dick out. It was *big*. No wonder Dylan was so cocky. (No pun intended, LOL.)

I wrapped my lips around the head and sucked gently while I squeezed his balls. Might as well give him a *good* BJ while I was down there.

Dylan moaned. That's the best sound! It always turns me on and makes me want to work harder.

I grabbed his butt cheeks and pulled him deep into my mouth until his dick was touching my tonsils.

"Yeah!" he grunted. "I'm fucking you right in your big brain!"

I slid my head up and down his dick, digging my fingers into his ass. I tasted a little salty trickle of pre-cum. Yum! I sucked harder and faster, banging the back of my throat with the fat head of his cock. I swear it was expanding in my mouth. Was it going to *burst*?

"*Ungh*!"

Dylan gripped my head and thrust his hips. My mouth filled to the brim with cum. I swallowed what I could, but he just kept pumping more out, until it leaked out all down my front. Dylan's balls would make a *great* biology project.

I stood up, wiping my mouth, and looked at him.

"Well?"

"You get an A+," he said, pulling a sheet of paper out of his backpack and handing it to me.

"I'd better!" I said, and he laughed. He actually had a really nice smile. Maybe...?

But I had no more time to waste. I took the stolen exam home and studied the answers. Part of me felt awful that I was cheating, but another part of me felt all charged up. It's kind of thrilling to be bad!

The day of the exam came, and of course I sailed through it—but I tried to look like I was nervous and thinking really hard. I didn't want Mr. Donero to get suspicious.

It didn't matter. The next week, on the last day of school, Mr. Donero asked to see me after hours in his office.

"This will come as no surprise to you, Miss Karlsen," he said, shutting the door. "You got the highest grade on the final."

Mr. Donero looked unhappy. My heart started beating like crazy.

"But you didn't *earn* it."

That's when I learned that Dylan had been caught with his backpack full of papers and exams. Not only that, but he had ratted me out. After I had swallowed and everything!

"Am I in trouble?" I asked, my voice shaking.

"You've been an exemplary student," he said. "But the school has a zero-tolerance stance toward cheating."

I sat there, trying not to cry.

He shook his head. "I'm very disappointed in you."

That was the *worst* punishment anyone could give me. I broke down in tears.

"I'm sorry," I bawled, my face in my hands. "I only did it so I could spend the summer with you." ---->

FREEMAGS.cc

Mr. Donero sat next to me. "Was it that...important to you?"

I nodded and sniffed. "I couldn't let Felicia win." Felicia Pine was the second-smartest girl in the class. Really good at dissecting fetal pigs, but not cute at all.

"It might have been better if she had won," he said.

I looked up at him. His eyes were kind of crazy. I looked down.

He covered his bulging crotch with his hand. "You'd better leave. The school will contact you regarding what measures they plan to take."

I pulled his hand away and replaced it with mine. I had nothing to lose anymore.

"Goodbye, Mr. Donero." I moved in close and kissed him, right on the lips.

Mr. Donero pulled away, then sighed and rushed toward me, pushing his mouth against mine and slipping his tongue in.

The next minutes were a blur. Suddenly I was on his desk with my skirt up and panties down, and Mr. Donero was between my thighs, licking my cooch.

"Sweet, furry pussy," he murmured.

I squirmed under his tongue. I had never felt anything so excruciatingly wonderful. I *knew* Mr. Donero would be better at sex than any boy.

I buried my fingers in his kinky hair and arched my back, *so* close to coming.

"*Yes*, Mr. Donero!"

He lapped at my clit. "Call me Frank," he begged.

"I can't do that!"

My legs quivered. *Sooo* close.

"*YES*, Mr. Donero!" My body spazzed out, then melted. I looked up in a daze.

Mr. Donero stood there, his hard cock sticking out of his fly. *That* woke me up. I grabbed his boner and pulled him toward me.

"Now you," I said.

I started to untie my tie and unbutton my blouse.

"No!" he said. "Leave them on."

He flipped me over onto my hands and knees and hiked up my skirt.

"Little cheater!" he said. He slapped my ass, *hard*. "You have to be punished." He spanked my butt, over and over, until it burned. Each slap sent sparks to my pussy.

"Are you sorry you cheated?" he asked, taking a fistful of my hair and yanking my head back.

"Yes!" I yelped. "I'll never do it again."

"I can't hear you," he growled into my ear. He gave my hair another yank.

"I'll never do it again!"

"There's only one way to make sure," he said. He spit on his hand and lubed up his cock.

He did *not* need to spit. My pussy was so wet it was dripping all over his desk blotter. His dick slid right in up to the hilt and knocked me off my knees. He grabbed me by my necktie, almost choking me.

"Bad, bad girl," he grunted as he pounded me from behind.

"I'm sorry, Mr. Donero," I gasped.

"How sorry?" he demanded.

I had a brainstorm.

"This sorry," I said, reaching back and spreading my ass cheeks.

"Jesus Christ!"

Mr. Donero pulled his cock wet from my pussy and shoved it into my asshole—but not for long. A few pumps, and I felt a throbbing deep inside. Heat poured out his dick and spread through my body. I curled up on the desk, Mr. Donero's arms around me, his sticky cock pressed against my butt cheeks.

"I don't care what happens to me, Mr. Donero," I sighed. "I'm not sorry at all."

I've been assisting in the lab for a few weeks now. Mr. Donero—Frank—decided not to tell the school about my cheating. He's punishing me himself, every which way possible, *very* severely. I deserve it. Don't you think so? ★

KENDALL WOODS

into the woods

Hello there! It's Stacy the intern. Cutie-pie Kendall is brand-new to porn and forever in my heart.

Hey, Kendall! How did you get into porn?
I don't know! I'm pretty shy and awkward.
Really? You don't seem shy in your scenes.
Well, I open up when I have a big dick in me. :)
Ha! That's like with nerdy guys—they're always the wildest in bed.
Yep. You have to watch out for the quiet ones!
You have probably the tightest body I've ever seen. What do you think is your best feature?
My peach booty.
What is your worst feature?
Physically, none. Mentally, I tend to overanalyze things.
What makes you mad?
People who don't stay in their own lane.
What makes you happy?
Getting my booty rubbed.
Do you always wear panties?
No, hardly ever.
What turns you on?
Having a connection with someone.
Do you like to suck cock?
Sucking cock is FUN.
Are you good at it?
Yes, I am. I swirl my tongue and make them crazy. And I don't need to use my hands.
Do you swallow?
I love cum in my mouth, in my pussy, on my face. It's all good.
Do you like anal?
I like butt plugs.
What's the best way for you to come?
Playing with my clit while getting fucked by a big dick.
What's your favorite position?
I like to mix it up and try crazy positions. I'm very flexible.
What's the craziest position you've tried?
It was a 69 with me upside-down up in the air.
Wow, how could you even do that?
I can do anything. Sex with me is amazing.
Don't tease me! Unless you *like* girls...
Oh, I do. I like it all. This is my dream job.
What's your favorite part?
The fans, of course. They always make me smile. :) ★

PHOTOGRAPHY BY STEVEN ANDRES

Hey, it's Lindsey. Porn-girl-next-door Carolina has the luckiest neighbors in the world!

About me: I'm nice and sweet. I would give the last of what I have to make someone happy.
Best thing about posing nude: I feel like I don't have to pretend to be someone else. I feel free. It feels amazing to be yourself.
Favorite thing about doing porn: I love attention and sex. Everyone is clean and tested, so it's nothing but fun.
Best physical feature: My hair and eyes. My hair is so healthy I can do just about anything with it, and my eyes because it almost seems like they change colors from grayish-blue to greenish-blue.
Favorite hobbies: I love being outside, taking walks, riding bikes, four-wheeling, fishing—you name it. Anything under the sun.
Biggest turn-ons: A man with a good choice of words, and when he manhandles me and just treats me like his little sex doll.
Biggest turn-off: When a man is being girly, like biting my ears or playing with my hair or even being too gentle with me.
Favorite way to masturbate: I mainly get the best orgasm with my clit being played with. I love wands.
Favorite type of guy: Clean-cut and bald. A man that has his own and doesn't chase useless things.
To bi or not to bi: Not really bi, but I do admire a beautiful body and face when I see one.
To blow or not to blow: I love [to give head]. Something about satisfying makes me crazy.
Favorite position: I love to ride and be on top. I also love doggy, but what girl doesn't?
Favorite way to fuck: I like it rough. I like to start off a little slow, then have at it. Pound the hell out of me.
Weirdest place I've had sex: On a four-wheeler in my neighbor's yard.
Favorite place for a guy to come: Anywhere that makes him happy.
Best way to make me come: Playing with my clit while pounding me.
Wildest thing I've ever done: Doesn't sound that wild, but skinny-dipping in all my neighbors' pools after midnight.
Best way for a guy to pick me up: Sweet talk—but I have a type, so I don't let *any* sweet-talking man pick me up.
Dream date: Simple—dinner by a lake, or surprise me. But again, I love being in the outdoors.
Ultimate sexual fantasy: Having sexy men fight over me. Maybe even having more than one boyfriend to please me.
Future plans: I someday want to be a photographer, and have my own website and my own content. ★

UMA JOLIE

earth angel

Howdy, folks! It's Stacy the intern. The last time we gazed upon heavenly Uma (June 2015), she was a college coed and part-time model named Belicia. Now she's a porn superstar!

Uma, I thought I'd never see you in BL again!

Are you happy to see me? ;)

My panties are *almost* as wet as they were when I saw you with Aspen Rae in *Hustler* (January 2016).

PHOTOGRAPHY BY DIGITALDESIRE.COM

FREEMAC

Oh, yes! I was pretty wet, too. *Love* my women.

Do you love women more than you love men?

No—I would say my love for them is equal. I need that penetration you get from men.

So, you're now fully in the industry. Are you enjoying it?

Yes. I was nervous shooting my first scene, but comfortable. And now I'm just in love with it.

What do you do in your free time?

I like hiking, going to the beach, studying the stars, traveling to historical places. Also eating and cooking. I *love* food.

More than sex?

Mmm—sex is pretty hard to top!

I remember last time you were here, you said you never masturbate because "sex is only fun with other people."

I should never say never! LOL! I definitely masturbate now, but probably only three times a week.

How do you do it?

Hitachi. It never fails me. ;)

Do you like to use toys on girls?

I do, but I like to eat them out and finger them, too. I give them the works!

What kind of girls do you like?

I like sophisticated, intelligent women. Actually, I prefer intelligent people in general. I like to learn and have challenging conversations.

What's your favorite way to fuck?

I like to start off slow and sensual, then build in intensity. Get rough with me. Grab my neck, pull my hair, spank me...

Do you have any favorite fantasies?

I would love to have an orgy with men and women—just bodies on top of bodies. That seems like heaven to me!

What's next for you?

To keep doing what I'm doing. I'm happy—and hopefully I'm making my fans happy, too. Love you guys! ★

ATTENTION, ALL 18-AND-OVER CUTIE PIES!

Become an amateur model for BARELY LEGAL today. Snap a clear, color picture, and mail it to BARELY LEGAL Slumber Party, 8484 Wilshire Blvd., Suite 900, Beverly Hills, CA 90211. Fill out the model release on the last page of this section and include a color copy of a valid ID. Join the *Slumber Party*!

Cutie-pie **Cassie** from Ravenna, Ohio, posed nude for us "to inspire others." (Right now she's inspiring something in our panties!) This 95-pound, 5-1 former gymnast is "obsessed with beards" and is into "all types of fetishes: balloon, tickling, feet, smoking, belly button, and more!" If that's too freaky for you, no worries—she's also happy boning doggy-style and up the butt: "Anal is more pleasurable than fucking my pussy if you know what you're doing." Naughty Cassie once did the nasty in a park bathroom—"very gross"—and her most memorable erotic adventure was "having sex on a staircase." (Going up!) For her next adventure, she would "love to be naked in Paris at the Eiffel Tower," but her sweetest fantasy is to "have sex in a giant tub of whipped cream." Cassie, you give us an appetite! —*photos by friend*

KENDRA LYNN

boss lady

PHOTOGRAPHY BY JIM GUNN

Hey, it's Lindsey. Kendra isn't just a cute face—she's a mini movie mogul who owns her own company!

Hey, Kendra! How would you describe yourself?
I am professional and always on time. I care about all my work and my fans, which reflects in my bright personality on and off the screen. Being funny and open-minded makes me who I am most and how I am able to fly free from the Midwest so young and explore the world with open eyes and an open heart.

What do you do for fun?
In my spare time I love going to Disneyland, hiking, mountain climbing, and being outside around nature. I also like F1 and IndyCar racing.

What do you like best about posing nude?
I can just be myself. I enjoy being in front of the camera—it makes me feel sexy and powerful.

What do you like best about doing porn?
I get to be a part of a world that many will never experience or see. Being an adult movie star means I see a lot of business and politics, as well as having a lot of fun and freedom over what types of scenes and work I do, to even the talents I work with.

What do you think is your best physical feature?
I have two—everyone always tells me I have a great smile and an awesome ass!

How often do you masturbate?
A few times a week at least!!

What's your favorite method?
I love to use my Hitachi. It's my favorite toy.

What turns you on the most?
Anytime a guy licks my ass and I don't tell him to, that is such a big turn-on for me!

What turns you off?
Smelly men or poor hygiene, and really loud people in public places.

What kind of guys do you like?
Well, I like all different kinds of guys, but my ideal guy would have to be an older guy—late 30s, early 40s. Presents himself very well. Has confidence, tattoos, likes music and going to concerts, and of course he has to know how to satisfy me as well!

Are you bisexual?
Yes, I am bi. I love to get the best of both worlds, I guess you could say.

What kind of girls do you like?
I like all different types of girls—I can't only choose one!! One day I could be in the mood for a bad girl with tattoos, and then the next I want a sweet little innocent girl-next-door. ----→

HEIGHT: 5-4
WEIGHT: 120 POUNDS
MEASUREMENTS: 36B-26-36
HOMETOWN: FORT WAYNE, IND. (SAME AS BREE OLSON)

Do you like to give head?
I love to give head—it always gets me super wet during my scenes!
Do you like to swallow?
When I first got into the business I never swallowed, even in my personal life, but I eventually started to love cum in my mouth! It sounds crazy, but that's really how it went!
What's your favorite position?
I would have to say doggy! I love being fucked good and hard from behind!!
How do you like to be fucked?
It depends on the situation. I'm a switch, so I like it really rough and hard, and then sometimes I like it very sensual.
What's the best way for someone to make you come?
Just put my pretty little clit in your mouth and I will come in two seconds.
Do you like anal sex?
I haven't done anal yet, but I'm working on doing it on film soon.
What's the weirdest place you've ever had sex?
In the woods at night! It was so crazy and scary, then during mid-fuck some type of animal came up right by us and I ran out of the woods so fast!
What is the wildest thing you've ever done?
I would say fucked a celebrity rock star and even had a Tampa Bay Bucs Super Bowl ring in my pussy!
What's the best way for a guy to pick you up?
Just be yourself, do not oversell, and have confidence as you speak, with great manners.
How would you describe your dream date?
Relaxing with John Lennon, smoking pot, drinking tea, and just discussing life!
What's your favorite fantasy?
Well, I am a pretty dirty girl, so this one is almost impossible, but the closest answer I could maybe give would involve a lot of guys (like 10 or more) and just myself. A huge cabin up in Big Bear with the fireplace going and snow all over outside as I lay next to the fireplace and they take turns on me all night until the sun comes up and someone cooks me breakfast and my cup of hot chocolate.
What are your future plans?
Since moving to L.A. recently, and with help from my agency, I will continue to advance my adult filming career.★

VALERIE HERRERA & RENEE PEREZ

it's fun to share

Hola! It's Abby the intern. Renee does only girl/girl porn. Valerie does it all. But these two sizzling stars come together just right.

Renee, why do you only shoot girl/girl scenes?
Renee: Look at Valerie. Why would I need anything else?
Don't you ever get the urge to suck on something long and hard?
Renee: Of course! That's when I reach for Valerie's big toe.
Valerie: I *always* keep my feet extra clean.
Do you like getting your toe sucked, Valerie?
Valerie: Omigod, yes! It gives me a tickly feeling that goes up my leg and straight to my pussy. All I want to do is get fucked.
But there's no dick to fuck you.
Valerie: I have Renee and a toy.
Is a toy ever really as good as a cock?
Valerie: When Renee does it, yes. She knows exactly how deep to make it go and how hard to fuck me.
Renee, if you're doing all the sucking and fucking, who takes care of you?
Renee: Valerie. She's pretty good with a toy, too.
So, you take turns doing the fucking?
Valerie: Sometimes. But we don't *have* to.
Renee: We have a very special toy that we share.
That does look fun.
Renee: We've done this so many times, we have the perfect rhythm.
Valerie: It's like a sexy seesaw!
Do you both come?
Renee: Always. No one ever feels left out.
Valerie: Except—*sometimes* we fight over who gets to lick the toy clean.
Renee: So this time, we're giving it to *you*. ;) ★

RAYNE

back to nature

The youth have it tough these days," declares Rayne. "Urban street kids are totally poor, and their neighborhoods are dirty. I've always felt in my heart that I wanted to make a difference. So I decided that once I finished high school and turned 18, I'd do something with meaning. This summer, I worked as a counselor at Camp Redeem as a nature therapist for at-risk kids. It was a life-changing experience.

"Camp Redeem rocks. Everybody hikes up to the mountains and learns to build fires and pitch tents. It gives the kids a different perspective. I was committed to spending time with the youth and talking about hope, but I have to admit my favorite thing was Ted, activities coordinator and original pioneer of Camp Redeem.

"Ted taught me so much stuff. Did you know that, I can't remember the number, but some giant percentage of city kids live below poverty, and also that research has proven that nature and fresh air totally helps? Ted told me that, but he also told me I was pretty, which is nice when you aren't wearing any makeup and your armpits stink.

"I didn't go to Camp Redeem to have sex. But Ted showed me there's a lot more to life than just social issues and things.

"Ted had a private cabin. He wanted to show me some old psychology textbooks and copies of *National Geographic*. We were just gonna talk, but I was hot for him. I loved his wild hair and horn-rimmed glasses, and I don't care if he's old enough to be my dad. So we made out. He squeezed my chest. I felt so comfortable, I got naked.

"It sounds like I'm a slut for what happened. But Ted went crazy when he saw my bare skin. He loved my little printed undies and my fuzzy pussy and round butt. He licked me all over, even my furry bush and brownie hole. I didn't know what to think, except that it felt awesome.

"When you're in a situation where there's a lot of pleasure, you just end up doing stuff. Ted bent me over and told me he wanted to do it to me in my ass, and I was so wrapped up in the moment, I said that it was okay. Ted stuck his peter in my booty. It was crazy, but I loved it—the strange, throbbing sensation deep in my tooter. My butt was warm and full and just, like, comfy.

"We had fun, me and Ted. We spent the summer sneaking butt-quickies. All he wanted to do was poke my poot. And for me, that was great. No complaints.

"See, Ted had something to teach me, and he made me feel so, I don't know, sexy and complete. It totally made me a better human being. He promised he'd keep in touch when the summer ended. We want to start a commune and grow vegetables and have anal sex. Maybe even straight intercourse eventually. I'm ready and waiting." ★

Completely edible looking, from the colour of her skin, to the smoothness to the touch, to her shape.....

Yes, I could go on and on.

When she showed up at my room I was paralyzed just looking at her, Beautiful!!!

Man, her eyes were so beautiful. Those are the eyes you would wanna wake up to, every morning.

I felt like Vincent Vega cruisin' along in his convertible sporting a euphoric grin wallowing in his long sought after euphoria.
